Hello everyone and first of all thank you for your support by being here for the Kids show. I can't believe this is our 9th show! The last 2 years since the last one have flown by and here we are again with another bunch of incredible children who continue to amaze us week on week & make us smile, laugh & always impress us with their skill, talent, wonderful personalities and hard work. Signpost Kids was started in 2001 by Carole Morrell & it was probably one of the best decisions ever made for Tiverton Signpost Club.

It has quite simply gone from strength to strength and after 17 years is still going strong and we have a whole host of new kids ready to start with us when we return to classes in September. The thing that really means a lot to me is that our fabulous chorus all started with us as Signpost Kids! Our youngest performers are just 3 years old and the eldest are 13. You must be bursting with pride watching them perform; we certainly are and they are the most polite, well behaved & well mannered bunch of children that we have the pleasure to spend our Saturdays with. Thank you to our wonderful parents, grandparents & other family members for your support in running around on Saturdays & helping to make organising such a massive show fairly straight forward. I must of course thank the wonderful girls that help on a Saturday - I'm so grateful to them and feel very lucky that there are still young people that want to give their own time to help others. Georgia, Ange, Amy, Alizee, Amelia, Charlotte, Lottie, Emily & Beth and until recently Emmalee are all dedicated, delightful helpers who know all the dances, help to teach & look after the Kids week on week. Special thanks to Alizee, Amy & Amelia who are there practically every week and also stay for the rest of the afternoon on a Saturday to help with admin, organising and show prep. We simply couldn't do this without them. Angela Mulligan supports Signpost in many ways; she helps at Kids, helps on Tuesdays with the chorus & does the lion share of our policies and procedures in line with GDPR rules, confidentiality and safe guarding of the children in our care. She also does loads of costume making for the panto and has single handedly done ALL the alterations for this Kids show - I can't express how grateful I am but can't thank her enough for her talent, wisdom & help! I have to say that we wouldn't be doing any of this if it wasn't for Georgia - she runs Signpost Kids. She loves it & I envy her energy and wealth of ideas and her natural musicality. She has done ALL of the choreography - not just for Kids, but the teacher's dance & the chorus dances too. She also does all the choreography for the panto. She spends hours & hours looking for music; getting the right variations & different themes & then mixes all the music too. She has completely organised the show, sorting all the dances, organised the costumes, created the programme & literally runs the classes on a Saturday. I am, of course, a

very proud Mum & have so much admiration for what she achieves - thank you so much for your commitment and hard work Georgia. We are all very lucky to have the benefit of the skill and talent of Leigh & Mike Parker, who this year wanted to make props or scenery for every dance! Not only are they brilliant at that but their dedication is undoubted and along with Ashley Parker and Keith Parker have been working on the show for months with superb results as always - thank you so much to the Parkers!! Everyone involved in Signpost is a volunteer: our time is given for free & our dedication is obvious. However, I feel blessed to be a part of such a fabulous team, an incredible club and am especially proud of Signpost Kids. I hope you enjoy the show and look forward to seeing you again in January for our panto, Cinderella!!
