WELCOME – 'JUST DANCE'

On behalf of myself and all of our amazing Signpost Kids I would like to welcome you all to our 8th bi-annual kids show. Signpost Kids was started in 2001 by my sister Carole and started with just a handful of kids and today we have 83 performing for you! I continue to be overwhelmed by the efforts, achievements, talent and enthusiasm of these awesome kids and I hope you can

appreciate the results of their hard work and dedication in the show that they have been working towards for 2 years. Our youngest performer is just 3 and the eldest is 13 and we are thrilled that we have 4 dashing and hip young lads in our Juniors class to keep those girls in their place! All of our Kids are an absolute pleasure to spend our Saturdays with and continually delight us with their skills, talents and funny stories each week. (Parents - you have no secrets from us!!!) It is the best fun and we have an enormous amount of enjoyment from being with them. Thank you so much to all our parents, grandparents, carers, brothers and sisters for your constant support, for running around each Saturday and for getting the kids to the various events they dance at each year – we couldn't do this without your support. It is a pleasure to get to know all of you too. I must pass on my heartfelt thanks to the helpers that run Kids on a Saturday morning. I can honestly say that this is Georgia's show! She has done at least 80% of the choreography, placed the dances, put all the music together, planned the costumes, created the programme and practically runs each class on a Saturday. Her ideas are brilliant and her energy and enthusiasm when it comes to Kids is undoubted. She also does pretty much all of the choreography for the panto. I am immensely proud of her and extremely grateful for her hard work and dedication – thank you Georgia. Right next to Georgia is Emma – always supporting me with all the organising, preparation, teaching, choreography, costumes, running of classes and helping with the general business of running Kids. She keeps me in order and calms me down! She has been amazing over recent months when her commitment has not wavered at all despite being pregnant! Thanks Emma. Kelsey is also a great support, teaching, organising, costuming and helping to run the classes and is great with the kids too, thanks Kelsey. Ange, Emmalee and Karen also help with the classes and other work that goes into the Kids club and I cannot thank Ange enough for all the hours she spends doing costume alterations and sewing – thank you so much. Our other 3 helpers, Debbie, Alizee and Amelia are fantastic. They are there every week, looking after the Kids, teaching the dances (they know all of them!) and have stayed all day on a Saturday since May to prepare for the show. They are quiet, hard working and just get on with it without being asked – I can honestly say we wouldn't be without any of them. I would also like to thank Mike and Leigh Parker along with Abi and Ashley Parker and Mark Webber who run backstage for us and have also made our props and scenery – we are so lucky to have such talent – thank you to all of you.

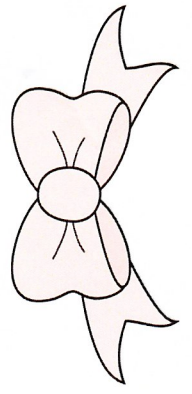

Everyone involved in Signpost is a volunteer – we all work for a living and this is our hobby! Our time is given to the club for free and our commitment is obvious. However, I feel blessed to be part of Tiverton Signpost Club and am especially proud of Signpost Kids. I really hope you enjoy the show and are as proud of your Kids as I am. Thank you. **Ally x**
