WELCOME - 'DANCE LIKE NOBODY'S WATCHING'

On behalf of myself and all of our amazing Signpost Kids, I would like to welcome you to our show - 'Dance Like Nobody's Watching'. This is our 7th bi-annual kids show since Signpost Kids started in 2001, we have grown over the years from just a small group to the established club we have now become and we have 85 kids appearing for you today! I continue to be stunned and amazed at the hard work, dedication, enthusiasm and talent that these Kids demonstrate week after week and hope you will appreciate their efforts in preparation of the show and enjoy the results as you watch them perform.

It is hard to believe that the oldest child on stage is 13 years old and our youngest ones are 3! Each one of them is an absolute delight to teach and it is a real pleasure to get to know them all each Saturday and we have so much fun and enjoyment from being with them. Thank you so much to all the parents, grandparents, carers, brothers and sisters for your constant support and for running around on Saturdays and to the various events with the Kids to support us - we couldn't do this without you!

I would like to say a special thank you to Emma Smith, Georgia Harcombe, Ruby May, Kelsey Perry and Karen Bullen-Burke who are there to help teach, look after, cuddle, encourage and help the Kids on Saturday mornings and they have all worked so hard to put this show together. Angela and Emmalee Mulligan have also become involved with the Kids club and I have really appreciated all of the help that these lovely people provide in order to keep the club going. We also have lots of fun along the way!

Special thanks to Emma who is my 'right hand girl'. She is a fantastic support to me and we pretty much run the kids club together - she started as a Signpost Kid herself and has been involved ever since. She has been there from start to finish for the show and as always has provided lots of fab choreography. She keeps me calm when we have lots to do and makes me laugh when we are busy and a bit stressed! Thanks Emma, you really are a fantastic support to me and I really value your input.

I must also give my heartfelt thanks to Georgia; she is only 15 years old and is involved because she absolutely loves the Kids and loves dancing and teaching dance. Along with Ruby, Georgia has spent hours putting routines together and she has choreographed/helped choreograph 18 of the 26 routines for the show! She is also there every week not just helping but practically running the classes and then stays on to do preparation for the show. Thank you Georgia - I know how hard you work and I am very grateful to you.

I would also like to thank Leigh and Mike Parker (and their son Ashley!). Leigh is Stage Manager and her and Mike are there most Tuesday evenings and Saturday afternoons putting together the props and scenery needed for the show with the help of Mark Webber and Matt Barrow. Thank you so much Leigh and Mike, I couldn't do this without you!

A big thank you to Mike Morrell - my magic shoe maker - who continues to heel and toe all of our tap shoes. A massive thank you too to Louise Dunn, who sorts out all the music for us - cutting, mixing, morphing and putting together all the music for the show and organising the performing rights. Thank you to Sam Lane who did all the art work for the programme and also helped me to put the programme together. Special thanks to Tina and Brian Ware who are with me every step of the way to put on this show.

Lastly, many thanks to our Signpost Club girls and the Signpost Follies who are responsible for setting up the hall and running the dressing rooms and doing the hair and makeup and who have all given up their weekend to do it!

We all work for a living - Signpost is our hobby! Everyone involved is a volunteer and gives up their time for free to support this club and this show. I feel blessed to be part of the 'family' that Tiverton Signpost Club is and consider myself very lucky that I get to spend my Saturdays in great company and am very proud of Signpost Kids. Please come and support us again in January for our 70th pantomime - Snow White. So for now, sit back, relax and enjoy the show!

Thank you to all the volunteers who have made this show possible. The Signpost Club is a family and we are all proud to be part of it.
