## **Chairman's Welcome**

*Well another year has passed and on reflection it's been a busy time putting together this years pantomime Snow White which is one of the worlds oldest fairy tales and we welcome you all to join us in this years production which is a milestone as it is The Signpost Clubs 70th pantomime!*

*Like all pantomimes Snow White is a tale where good triumphs over evil with of course the help of her new found friends whom she meets deep deep in the forest. And as always, in the end everyone lives happily ever after and we hope you will have a few laughs on the way.*

*As always the show is traditional and we hope it will get you booing, hissing, singing and cheering in all the right places. So feel free to let yourself go.*

*Our pantomime which was first put on stage in 1945 is as it was back then put together with love, commitment and team work and attention to detail by all involved, and we warmly welcome you the audience without whom it would not be possible to put on a show. Thank you for your continuing support.*

*The Signpost Club grows every year with children joining Signpost Kids, some of which have moved up to join the Chorus this year which is a great, not forgetting Signpost Follies who go from strength to strength and have also helped behind the scenes. It's a great club and one I am proud to be a member of.*

*Special thanks should be given to all those who give up precious time at weekends and evenings to help with putting on the pantomime, you know who you are. I would also like to take this opportunity to give thanks and remember all those over the past 70 years who have been involved in helping to make this the club it is today.*

*So please sit back and let your imagination run riot ..... who will be fairest in the Land? Will the wicked Queen get her way or will Fairy Artichoke help to save the day?*

**Oran Trump Chairman**

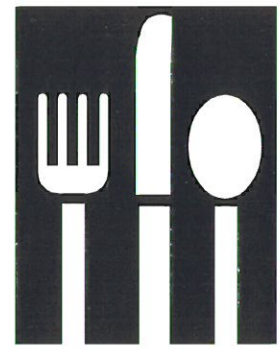

I was only too pleased to once again write and direct the panto this year. To say that we have enjoyed rehearsing would be an understatement; there has been times when we have had to wait until a cast member recovers from a fit of laughter. Once again I would like to thank everybody in the Signpost Club for their support and for all their hard work.

Walt Disney made Snow White famous and everybody knows the names of the dwarfs from the film, this gave me a slight problem. Disney hold the copyright, so to avoid any legal problems I have renamed the dwarfs, though I am sure you will still recognize each and every dwarf.

Enjoy the show!
