FOLLIES WELCOMBE

Hello and welcome to the 3rd show with the Signpost Follies.

The Follies were formed in February 2008 at the request of some of the parents of our Signpost Kids.

Our aim was to escape the children one night a week, keep fit, socialise and even learn to dance along the way!

The Follies have since not only learnt to dance, but we have become a good group of friends and had lots of laughs over the years!

The Follies have all worked really hard and shown real determination to ensure they produce a great show for you today.

In order to make putting on this type of show feasible, we invited other acts to take part in the show for which we are very grateful.

Of course, members of Signpost Club are involved so thank you to those of you who have given up your time not only to be here today but also for all the rehearsals.

Also, a big thank you to Paul Urquhart and his dance crew and also to Ginger Walker and Sasha, for also agreeing to appear.

Thank you all so much - we are thrilled to have you as part of the show.

Lastly, thank you to you, our audience for supporting us and due to the success of our last show we are delighted to be doing 2 performances today –

so, sit back, relax and enjoy the show and we look forward to seeing you all again in January 2014 for Aladdin.

We would also like to take this opportunity to thank the Follies – we have so much fun and have become a very sociable group and formed some lifelong friendships – thank you Follies!
