#### TIVERTON ROTARY CLUB

##### POLIO PLUS CAMPAIGN

Thirty years ago polio was very prevalent in this country. Many will remember how we used to protect our children from visiting swimming baths and rivers. Thanks to immunisation those fears are no longer with us and we have largely eliminated polio from our lives. Sadly, in other parts of the world, polio still exists in epidemic proportions.

Every minute that passes one child will die or be horribly crippled by one of the world's most virulent diseases—polio.

ROTARY has set itself the target of ridding the world of polio. Eighty million pounds is required to "immunise the children of the world".

Will you help TIVERTON ROTARY CLUB to contribute to this very worthwhile cause?

A collection will be held at the end of the performance. Tiverton Rotary Club would like to thank the SIGNPOST CLUB for their support and co-operation. Thank you for your generosity.
