Chairman's Welcome

Hello everyone, may I take this opportunity to extend a very warm welcome to you, our audience to our 71st pantomime *The Old Woman Who Lived in a Shoe*. This is a personal favorite of mine with all the nursery rhyme characters, scarecrows, clowns, humor, lovely dances and a great storyline too with a real surprise for everyone at the end! You will see lots of familiar faces delivering lots

of corny jokes that we hope will have you laughing from start to finish as well as an array of colorful costumes and beautiful scenery. Please laugh along, boo, hiss and cheer as much as you like! As always we have had enormous fun putting the show together – each rehearsal will see us in fits of laughter at some point – I hope the team spirit and closeness of the cast comes across to you all. Laughter certainly is the best medicine and just the tonic we all need after Christmas!

I was very proud to become Chairman of Tiverton Signpost Club last year and my involvement in the club spreads across all three parts that make up Signpost – the panto, Signpost Kids and Signpost Follies. The club continues to grow all the time and we now produce a show twice a year which means we are very busy all year round. We have a real family feeling at the club and all work together during all the shows to support each other. There are a small group of people who work tirelessly for months to put the panto together and to you I am eternally grateful. Maria, Georgia, Tina, Brian, Mike, Leigh, Ashley, Keith, Sonia, Ange, Emmalee, Debbie, Alizee, Charlotte, Lucy, Shani, Keeley, Lynette and Cara. You have all dedicated so much of your own time to the club willingly and freely and I am so very appreciative of all your help and hard work. I hope now you can reap the rewards and thoroughly enjoy the show!

I often look back at our previous productions and think of all the founder members of Signpost and the people who have given so much to the club over many years. It's always nice to fondly remember the people we have lost and not long ago we lost a very dear friend – John Browning who usually sits at the front of the stage supporting Edna with her challenging job of prompting! If you knew him, you were lucky as he was a kind, caring, talented and thoughtful man with a ready smile and a big hug. We will miss him dearly and we are delighted that Edna is still prompting for us this year. We would like to dedicate this year's show to our beloved John.

Thank you so much to you, our audience for your support and please come and join us again in August when our fabulous Signpost Kids will be performing in their own show. But for now, as the old saying goes – sit back, relax, laugh, shout, clap, cheer and enjoy the show! Where did that enormous shoe come from? Will Dillie ever be able to protect her home, the beloved shoe from the Baroness? Who really is the King? And how many performances will there be before Tommy remembers his lines...!!!!

Ally Harcombe,
Chairman

Director, Andrew Lockyer

I first appeared in the Signpost Panto in 1982 and it has always been an honor to be involved with a great Tiverton tradition whether on stage or off. I first wrote and directed "The Old Woman Who Lived in a Shoe" 12 years ago and though it is not as well known as the more popular panto's it has always been one of my favorites.

I must thank our Chairman, Ally Harcombe for her support and all the long hours she works to help produce the panto along with of course all those people who work behind the scenes.

Finally I would like to thank the cast and crew for putting up with me over the last few months.

“

Selling our property through Watts and Sons was the best decision, from first meeting to completed sale, their courteous and friendly approach was reassuring and supportive throughout.
John & Jean

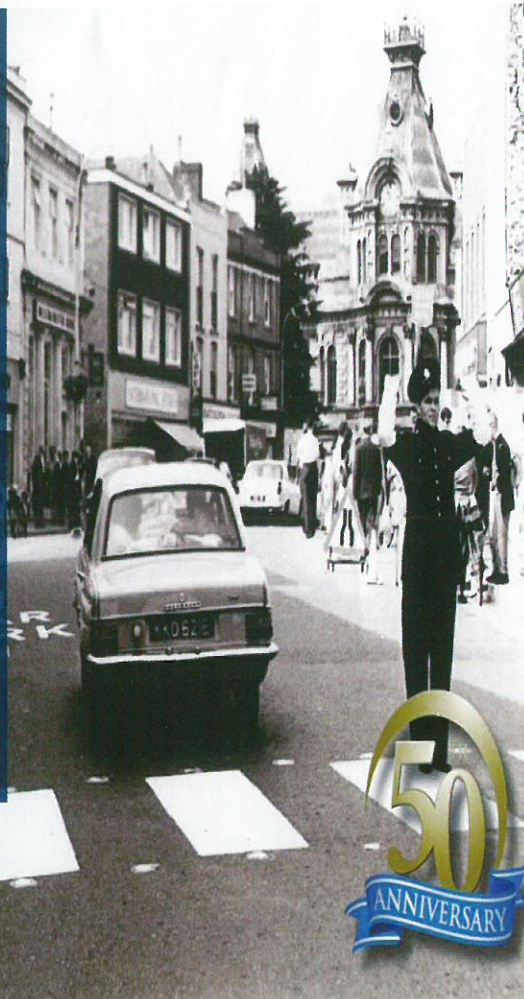

Watts and Sons was my first choice of agent, I had heard many good things about them, and I can honestly say that they would be my first, and only, choice next time I move.
Ann

I am very grateful to Watts and Sons for the part they played in securing my new home. Their input was at all times professional, but, personal too. They made the entire process a seamless one, through which I felt supported.
Cath

Our one regret is that we initially marketed our property with a different agent! The difference in customer service, local knowledge and attention to detail was night and day!
