### **Chairman's Welcome**

*All aboard for a fairy tale ride! Aladdin has come to town..... Oh no he hasn't..... Oh yes he has! He's behind you!!*

*Do you know what is inside Aladdin's Lamp? Well it would take a Genie-us to find out.....*

*Aladdin is the nations second favourite pantomime behind Cinderella. Like most pantomimes it's a rags to riches tale where good triumphs over evil in the end and everyone lives happily after. And hopefully we have a few laughs on the way.*

*Our pantomime is traditional and we hope it will get you booing, hissing, singing and cheering in all the right places. So feel free to let yourself go.*

*This is our 69th pantomime and at heart is put together with love, commitment and attention to detail by all involved and warmly welcomes you the audience without whom it would not be possible to put on a show. Thank you for your support.*

*The Signpost Club grows every year with children joining Signpost Kids, some of which have moved up to join the Chorus this year, which is a great, not forgetting Signpost Follies who have also helped behind the scenes. It's a great club and one I am proud to be a member of.*

*Special thanks should be given to all those who give up precious time at weekends and evenings to help with putting on the pantomime, you know who you are.*

*So please sit back and let your imagination run riot as we journey to the land of Old Peking, to a place full of magic and mystery, Genies, old Chinese laundry's, Widow Twankey's pants and loads of laughter. It's an original Chinese takeaway.....*

**Oran Trump Chairman**

*It was over 10 years ago that I last wrote and directed "Robinson Crusoe" for the Tiverton Signpost Club, so it was with some trepidation that I agreed to direct this year's pantomime especially as I was following in the steps of Carol Morrell who has done a brilliant job. However I needn't have worried as everyone made me feel very welcome and it was great to renew old friendships.*

*As you will see, I have always been a fan of pantomimes and all it's traditional ingredients, comedy, song and dance, lots of audience participation, slapstick and of course, though it is a family show, enough innuendo of the nudge-nudge-wink-wink variety to keep the grownups happy.*

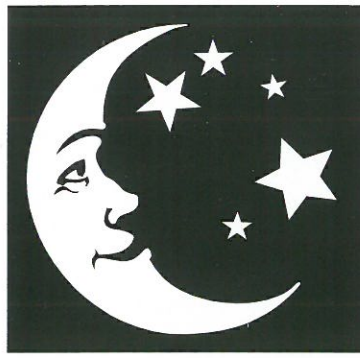

*Finally, thanks to everyone involved with the show and for making it such a delight to direct.*

*I hope you enjoy the show*
