FOLLIES WELCOME

Good evening and welcome to the 2nd show with the Signpost Follies.

The Follies were formed in February 2008 at the request of some of the parents of our Signpost Kids. Our aim was to escape the children one night a week, keep fit, learn to dance and have some fun at the same time. The Follies have since, not only learnt how to dance and tap, but have become a good group of friends and had lots of laughs along the way! Our ladies have worked really hard and shown real determination to ensure they produce a great show for you this evening.

In order to make putting on a show feasible, we invited some other acts to take part this evening and we would like to take this opportunity to thank them all for being involved. Lastly, thank you to you, our audience for supporting us, so sit back, relax and enjoy the show and we look forward to seeing you all again in January 2012 for Ali Baba and The Forty Thieves.
