Welcome

On behalf of myself and all our wonderful kids I would like to extend a very warm welcome to you all to this, our 6th bi-annual kids show "DANCE YOURSELF DIZZY". Yet again, the kids have worked tirelessly and have literally 'danced themselves dizzy' in preparation for the show, to ensure that you enjoy watching the results of their hard work and enthusiasm.

Signpost Kids are in their 11th year from when we started the club with a handful of kids, they have produced 5 shows prior to this one, appeared in the pantomime every year and have now grown to over 80 kids on the register with a huge waiting list to September 2013!

I can honestly say that it is an absolute pleasure to be at the clubroom every Saturday to teach the kids and we are constantly impressed and delighted with the hard work, talent and commitment that these youngsters show despite being aged between 3 and 12 years. Thank you for all the fun and enjoyment each Saturday brings girls! I must also warmly thank all the parents and grandparents that turn up each week and support us and their kids throughout the year - we couldn't do this without your support.

I must say a very special thank you to Carole, Michele, Emma, Evie, Georgia, Ruby and Kelsey who are there every Saturday to help, teach and support the kids and they have all helped to put this show together as well as providing some fantastic choreography.

My thanks also go to Mike and Leigh Parker (and Abi & Ashley!). Mike is the Stage Manager for all of our productions and together with Leigh and James Robinson they give many hours to the club and have made the scenery and props for the show and will be backstage making sure everything runs smoothly! Thank you so much.

I would also like to thank Mike Morrell. Mike takes care of the sound throughout the shows, he also puts all the music together for us as well as making the show signage, healing and repairing the hundreds of shoes and has made our 'boxes' and 'Nelly'.

Most importantly I want to thank Carole. She is, without doubt, the back bone of Tiverton Signpost Club and among her many talents she is responsible throughout the year for script writing, producing, directing, choreography, costume making, accessorising, prop making and general organising. From the most intricate costume right down to the last pin, Carole will have been involved. Her hard work, enthusiasm, energy and commitment never fail to amaze me and she does it all for the benefit of Tiverton Signpost Club and its many members. She has, of course, supported me constantly with running Signpost Kids and none of this would be possible without her. Thanks for everything Carole.

Lastly, many thanks to our Signpost Kids Girls and Boys and the Signpost Follies who have all worked hard for many weekends preparing costumes and accessories and have given up this weekend to run the dressing rooms and look after the kids. Everyone involved in Signpost gives their time for free - thank you to all of you - you are all stars!

We consider ourselves very lucky to have the opportunity to spend so much time with your wonderful kids and no one is more proud of them than we are. Thank you for coming to support us and we look forward to seeing you again in January for Robinson Crusoe. So, sit back, relax and enjoy the show!

Thank You.
