# FOLLIES WELCOME

ALL

MICHE

Hello everyone and welcome to the 5<sup>th</sup> Follies show. Thank you all for coming and supporting us today. The Follies were formed in February 2008 at the request of some of the parents of our Signpost Kids. Our aim was to keep fit, socialise, have fun and do our best at learning to dance! We soon realised that our Follies had a real passion to learn and with their energy and enthusiasm we have been able to produce our fabulous Follie shows. We have a real team spirit and have formed lifelong friendships along the way.

The ladies that you will see tonight have worked tirelessly and shown determination and dedication to produce a great show for you today. We spend 2 years putting the routines together and meet every week to learn and practice them. A lot of time and effort goes into putting a show like this together and there has been a fair amount of blood, sweat and tears along the way – as well as a few glasses of wine!

We are also delighted to welcome other acts to join us to make the show complete. We are so pleased that In Harmony agreed to sing for you again and this year one of our own Follies, Miranda will be singing for you too. Of course our incredible chorus girls are dancing for you again, and our fab Signpost boys are appearing too.

It is always heart-warming that all parts of Signpost – panto, Kids and Follies get involved with all our shows, so thank you to all of them for giving their time to support us. We look forward to seeing you, our audience, again for our panto in January 2018 with Sinbad.

So.... Sit back, relax, clap, cheer and enjoy the show!
